United To Move Forward

ABOUT US

Daijo Industrial was established in 2004. Currently we have achieved a total of 600 workforces which manufacturing moulding, plastic injection, secondary process, and part assembly.

We provide wide range of plastic injection machines, starting from 50 Tons to 2800 Tons. In order to meet customer satisfaction, Daijo equipped with updated machine tools and technology. We also set up an in-house plastic tooling design and manufacturing since 2011.

VISION

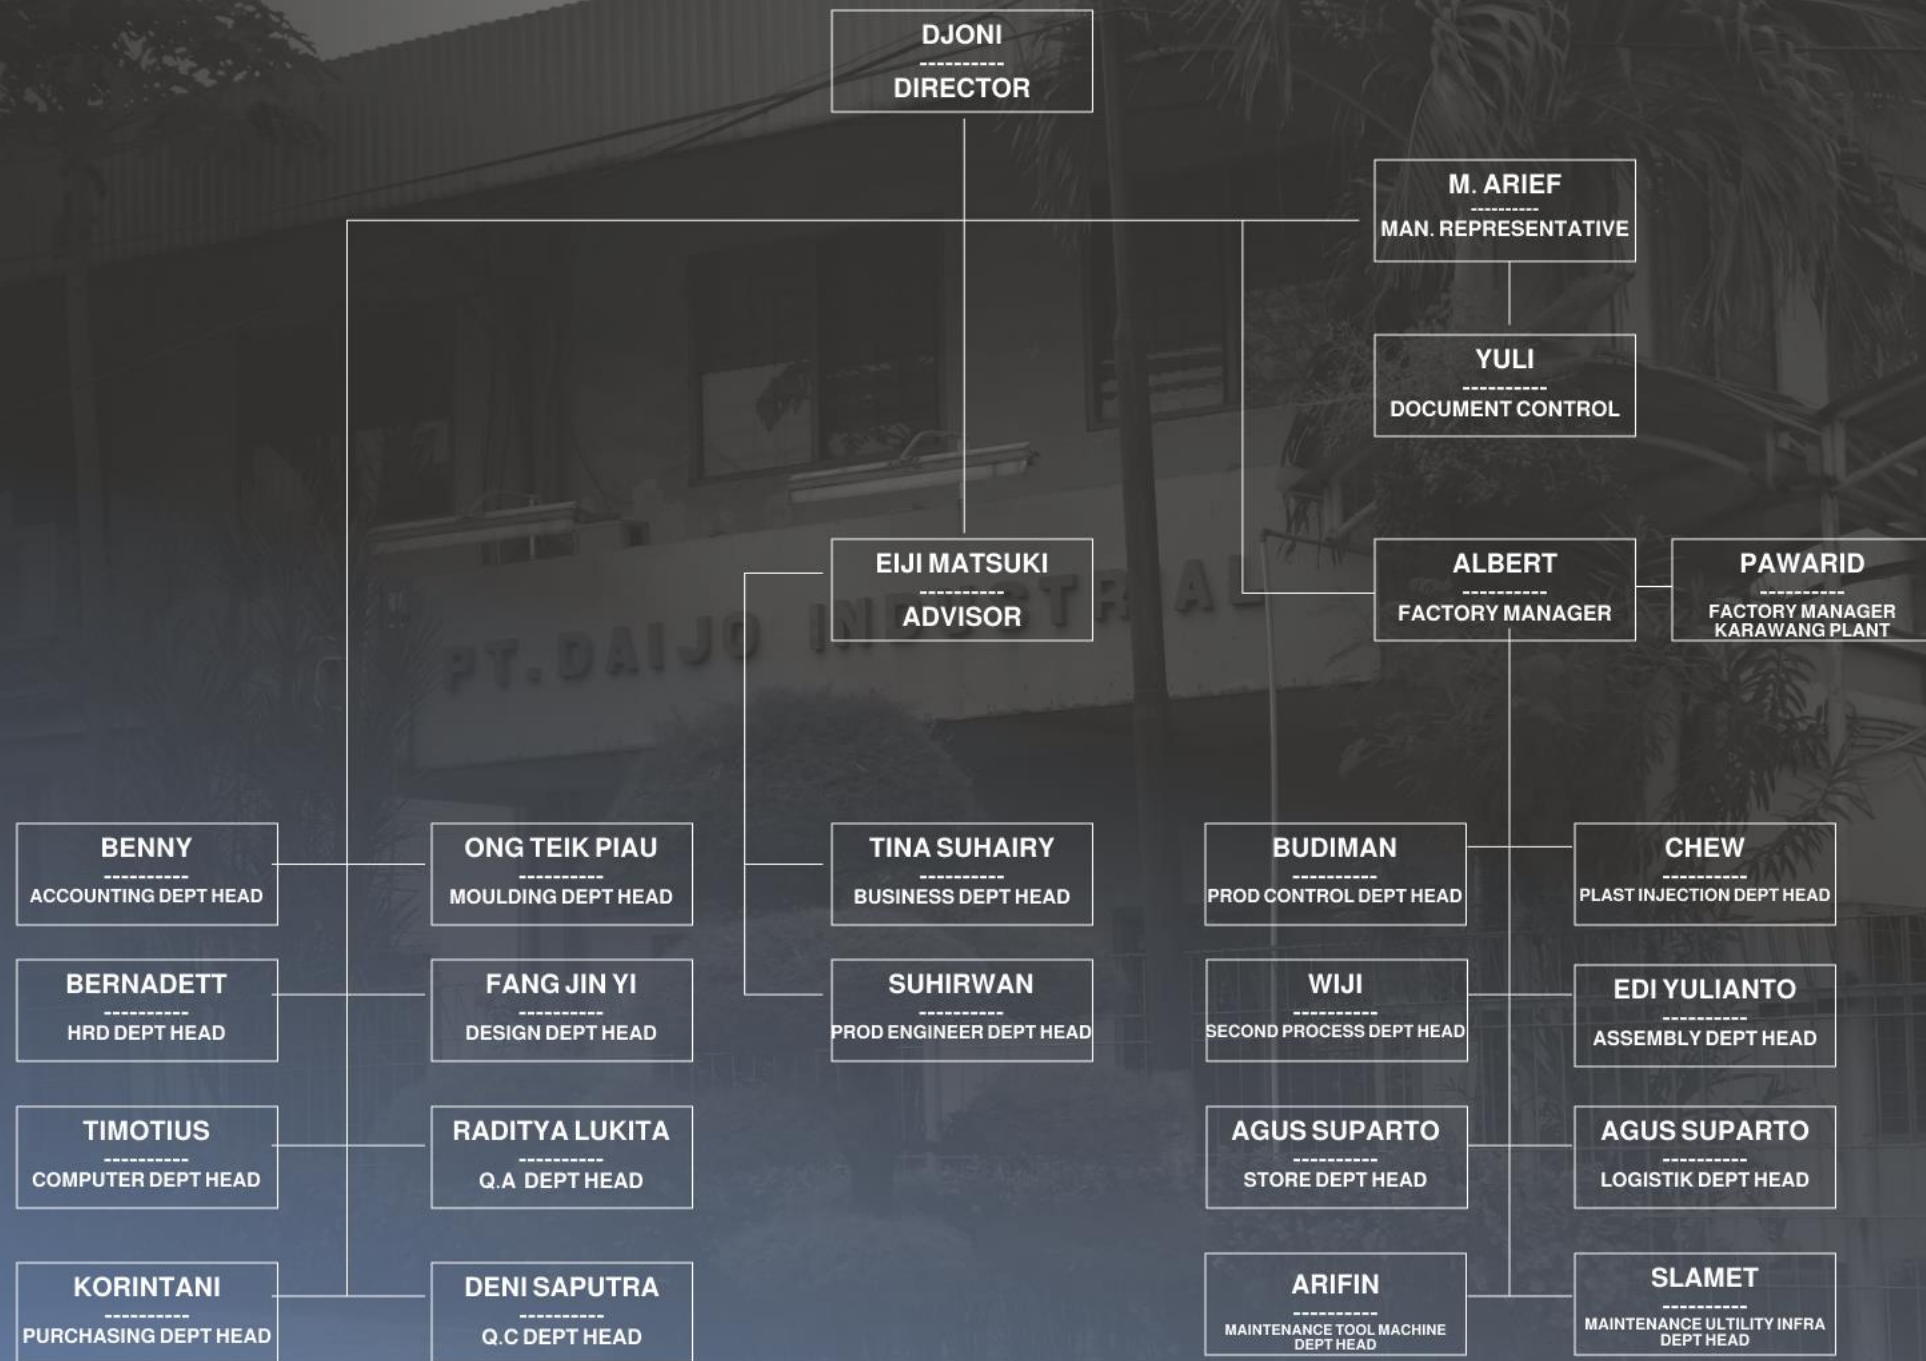

To be a one-stop premium supplier in plastic injection industry for electronics, automotive, and home appliance including plastic tooling design and manufacturing, silk-screening, pad printing, hot stamping, welding, and plastic part assembly.

MISSION

Our missions are striving to be the best supplier to meet the customer requirements and also to enhance the "one stop solution" towards our customer needs.

Certification ISO - IATF 16949

bsi.

Inspiring trust for a more resilient world.

Date : October 10th, 2024

TO WHOM IT MAY CONCERN
No. 581/BSI Indonesia/X/2024

We, **PT. BSI Group Indonesia** hereby, confirm that:

PT Daijo Industrial

Address:

**Kawasan Berikat Nusantara, Jl. Irian
Blok E-21, Jl. Raya Cakung Cilincing,
Jakarta Utara 14140, Indonesia**

Has applied for certification audit of **IATF 16949 Automotive Quality Management System** to **PT. BSI Group Indonesia** for the scope **The Manufacturing of Injection Moulded Plastic Parts (including Painting, Printing, and Assembly Process)**.

This company is under process for the certification according to IATF 16949 standards. The certificate would be issued after all processes have been completed.

This letter is valid for 3 (three) months from the issued date.

Yours Sincerely,

Nolia Natalia
Country Manager

STATEMENT OF CONFIRMATION

We have great pleasure to inform that

PT. DAIJO INDUSTRIAL

Kawasan Berikat Nusantara
Jl. Irian Blok.E-21, Jl. Raya Cakung Cilincing
Jakarta Utara 14140, Indonesia

Has appointed EQAIMS as the certification body for ISO 14001:2015 Certification

At present, the mentioned company above is **on process** of preparation and certification for the standards above.

For the scope of:
Manufacturing of Injection Part and Accessories for Automotive

PT. EQA IMS SERTIFIKASI

Agus Wahyudi
Managing Director
